Privacy Policy for the "Words" Mobile Application

Effective Date: October 12, 2025

1. Introduction

Welcome to "Words"! Our mobile application is designed to make learning foreign words effective and convenient. We aim to help users expand their vocabulary through interactive exercises and a personalized learning approach.

This Privacy Policy explains what data we collect, how we use and protect it. By registering in our application, you agree to the terms of this policy.

2. Data We Collect

We collect the following types of information to provide and improve our service:

- **Personal Information Provided at Registration:**
  - **First and Last Name:** Used to personalize your profile.
  - **Phone Number:** Required for registration and used as your primary identifier. We also use it to confirm your registration via Telegram.
  - **Email Address (Optional):** Can be provided at your discretion for additional communication methods.
- **User-Generated Content:**

o **Custom Images and Audio Files:** If you have a premium subscription, you can upload your own images and audio for words. We store these files to sync with your account.

- **Application Usage Data:**

o **Learning Progress:** We track which words you are studying so you can return to your studies at any time.

o **Exercise Completion:** We collect information on how you complete exercises to analyze learning effectiveness and improve our algorithms.

o **Playlist Creation:** We store information about the playlists you create for studying words.

3. How We Use Your Data

The collected information is used for the following purposes:

- **Account Creation and Management:** For your registration, login, and saving your progress.

- **Personalized Learning:** Your progress data helps us tailor the learning process to your needs.

- **Communication with You:** We may send you messages on Telegram to confirm your login (authorization) or for payment-related notifications.

- **Providing Features:** To display your word list ("My Words"), playlists, and ensure all exercise types function correctly.

- **Enabling Premium Features:** Such as allowing subscribers to upload custom audio and images.

4. Payment Information

Currently, the application has a test payment system. This means that when you make a "purchase," no actual funds are withdrawn. We do not collect or store your payment card details. If we introduce a full payment system in the future, we will update this Privacy Policy accordingly.

5. Data Storage and Security

We take the security of your data seriously. All personal information and user content are stored on secure servers. We implement reasonable technical and organizational measures to protect your information from unauthorized access, alteration, or destruction.

6. Data Transfer to Third Parties

We do not sell or transfer your personal information to third parties, except in the following cases:

- **Telegram:** We use Telegram to send you authorization codes and payment notifications. Your use of Telegram is governed by its own privacy policy.

- **Service Providers:** We may engage third-party companies to provide services such as data hosting. These companies have access only to the information necessary to perform their functions and are obligated to maintain its confidentiality.

7. Your Rights

You have the right to access, modify, or delete your personal information. You can manage your profile data in the application settings. If you wish to delete your account and all associated data, please contact us.

8. Changes to the Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new policy in the application or by sending you a notification. We recommend that you review this document periodically.

9. Contact Information

If you have any questions about this Privacy Policy, please contact us at: javacamp2021@gmail.com.
